Login the System

Type “isikuniversity.mrooms.net” into the address bar of your browser.

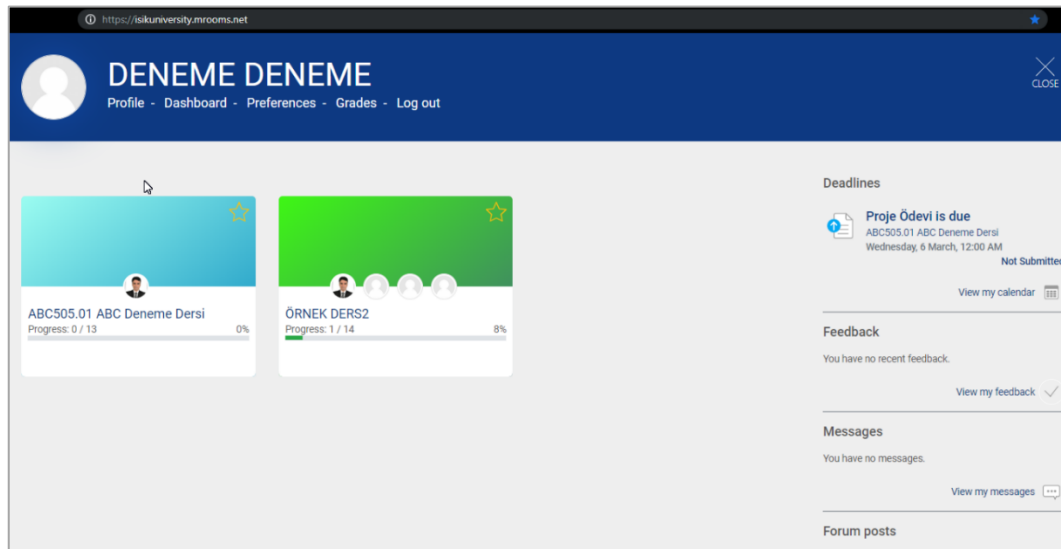

Click the “Sign in” button.

Enter your@isik.edu.tr e-mail into the “Username” field. (If you do not have an isik.edu.tr e-mail, enter your personal e-mail address)

Into the “Password” field, enter the password defined for you or the one you have defined before.

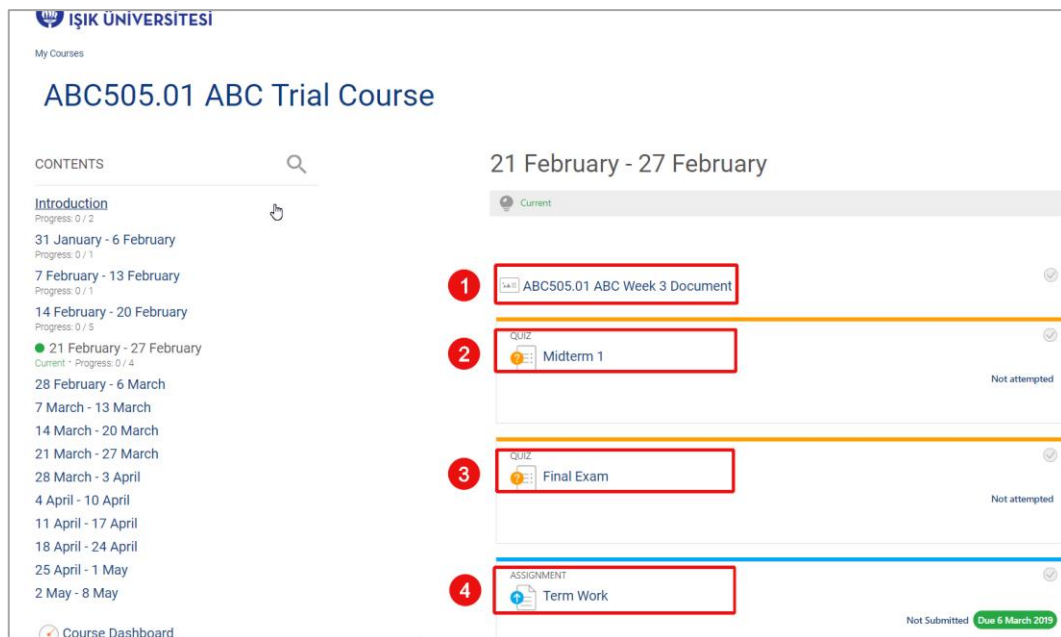

After logging in, you will see a screen that shows the courses you have taken. On the right hand side of the screen, you can see the assignments given to you.

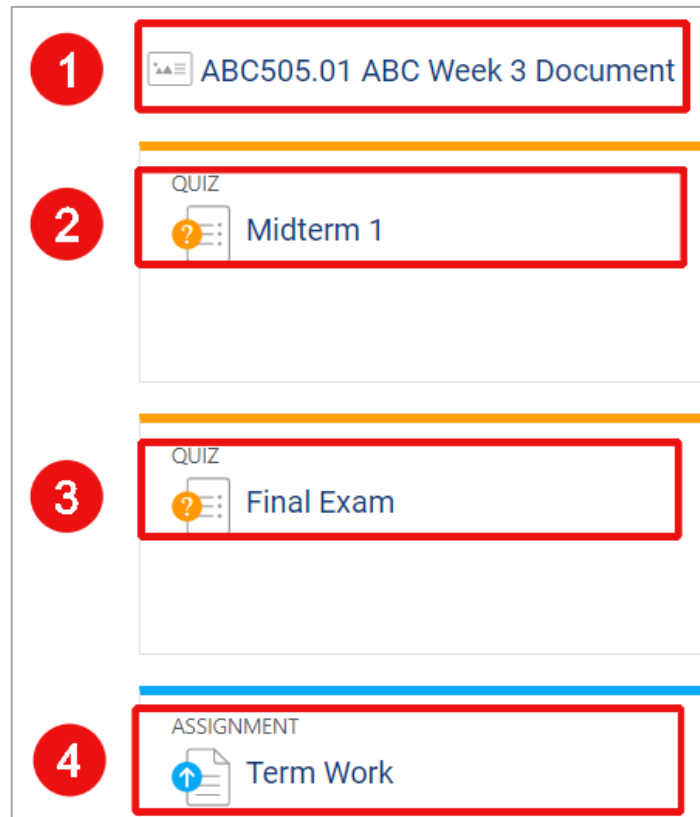

Accessing to Course Documents

After you log in, you can access the contents of the courses and the records of the past live sessions by clicking on the course title.

There is a table of contents at the beginning of each lesson. The table of contents forms a clear view of the course structure. This means that you can easily access each section within the course. If the “tracking” is enabled, it also shows your progress for each section of the course.

Entering the Virtual Classroom and Accessing to Course Records

Select the online course you want to attend “live”. When the course opens, first click on **“Introduction”** on the left hand side, and then click the **“Click here to see live lessons”** link.
